## BOSS GP 2017 - Bulletin #2 (Appendix)

### Article 7 - Events - 7.3 Running of the events

#### c) Starting modes and starting procedure

##### -> 3 minutes to start of Green Flag Lap --> Grid Closed / Clear Grid

3 minutes before the start of the formation lap, the access to the grid will be closed and any car not on his appointed place on the grid must start the race from the back of the grid. Everybody, except drivers, officials and team staff in charge of the tyre warmers and the external starting device must leave the grid. When the 3 minutes signal is shown all cars must have their wheels fitted and working on the car isn't longer allowed. Tyre warmers have to be uncovered at the same time. Any car which does not have all its wheels fully fitted at the three minute signal or the work wasn't finished in time or the tyre warmers were discovered too late shall be penalized by the race direction with a drive-through penalty during the race or a time penalty afterwards.

##### -> 1 minute to start of Green Flag Lap --> Ready to start

1 minute before the start of the formation lap, tyre warmers have to be uncovered, cars must be on the ground and ready to start. Team staff in charge of the external starting device must be in their position.

Ok, 17.08.17
