The traditional producer from Italy, with its 110 years of experience in Motorsport, constructed especially for this partnership tyres, which are based on the knowledge from Formula 1, inspired by the test results from 2016.

BOSS GP offers private racers of Formula 1, GP2, Auto GP, Superleague as well as IndyCar and Champ Car the opportunity, to use these tyres during competitions.

Thereby vehicles from producers like Toro Rosso, Jaguar, Benetton as well as Williams, Dallara or Panoz are used.

The company Hollerweger from Timelkam will be assigned with the support for the events. Michael Hollerweger, who has a long-lasting experience in racing, and his motivated team are well prepared and familiar with the requirements.

The racing calendar 2017 includes the following racing tracks throughout Europe:
